Vision

Vision Question

A Vision statement describes what the municipality is going to achieve and shapes what the future will look like. Council and Senior Management worked to refine the Town's Vision statement. Which Vision do you prefer?

Vision Proposals

Current

Working together to maintain our heritage, agriculture and distinct beauty, while creating vibrant sustainable communities for all.

Option 1

Sustain our distinct identity while creating a vibrant and complete community for all.

Option 2

Working together to cultivate our heritage, agriculture and distinct beauty while creating a vibrant, livable community.

Option 3

Enhancing our heritage, agriculture and natural beauty, while creating a resilient, vibrant and welcoming community for all.

Vision Results: Community

Current
