**EAST-WEST LINE
FROM CREEK ROAD TO LAKESHORE
ROAD**

This is a petition to the Town of Niagara-on-the-Lake to provide municipal water service to the properties on East-West Line from the area of Creek Road to the intersection of Lakeshore Road. The residents and properties on this section of East-West Line do not have access to potable municipal water for drinking, or hydrants for use in fire suppression. We request Town Council and Staff provide these services.

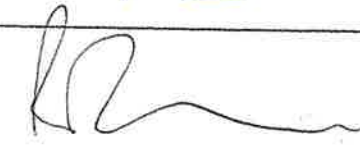

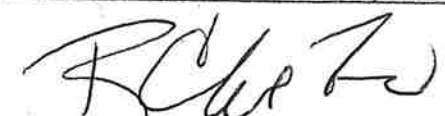

SINCERELY,

RESIDENTS AND PROPERTY OWNERS OF EAST-WEST LINE
