Topic

I have spoken on this issue before, and would like to provide specific new information I wish Council to review

The specific new information I wish Council to review is as follows:

8.3

325 King Street - Official Plan Amendment and Zoning By-law Amendment (OPA-01-2023 & ZBA-01-2023), CDS-23-192

Niagara Foundation will provide comments in response to the staff report CDS-23-192. New information provides the Foundation's perspective on staff analysis related to changing land use and future site plan process for this site.

Previous presentation from the Foundation on 325 King St addressed only the application to demolish and the original Heritage Impact Assessment.

This presentation will provide the Foundation's perspective on sections of the new staff report, analysis and recommendations.

This information is new because the staff report was not available until now. The Foundation's perspective is new because it is responding to a report that shares a comprehensive analysis of changing land use for this site. Demolition of the former school building has already been addressed, and will not be covered again in these comments. The Foundation will share new information and perspective in response to the new staff report.
