What is this?

Applications have been received for an Official Plan Amendment, Zoning By-law Amendment and Draft Plan of Vacant Land Condominium on the subject lands (see location map). The applications would permit the condominium development of 14 townhouse dwelling units on a private road, in addition to a four (4) storey apartment building consisting of 24 dwelling units. The Official Plan Amendment proposes to redesignate the subject lands to “Medium Density Residential” to permit an increased density for the development. The Zoning By-law Amendment proposes to rezone the subject lands to “Residential Multiple 1 (RM1) Zone” with site-specific provisions to permit an apartment building and further provisions related to lot area and coverage, front, side and rear yard setbacks, distance between a townhouse dwelling and a private roadway, encroachments, amenity area, distance between buildings on the same lot, building height, and interior side yard setbacks for driveways.
