Statement of Cultural Heritage Value or Interest

The property known as the Lansdowne Villa has cultural heritage value or interest for its design and physical values, its historical and associative values and its contextual values.

Lansdowne Villa is a representative example of the Queen Anne Revival style. The two-storey rectangular plan residence has a complex gable roof with overhanging eaves, asymmetrical south elevation, verandah on facade, a square turret, and decorative shingles. The complex structure also features a protruding gable dormer window on east elevation featuring a flat arched opening with rounded corners. The Queen Anne Revival house also contains woodwork in the form of spindle-work on the verandah, wooden posts, and wooden mullions on windows. The residence displays a high degree of artistic value through the use of unique materials. The various types of decorative shingles used throughout the residence blend seamlessly with the design of the residence. The usage of multiple types of shingles is unique to the residence and the region.

Lansdowne Villa has historical importance as being a part of the Crookston that belonged to William and James Crooks. The brothers worked as merchants, farmers and also built ships. The subject property is also associated with the formation of the Canadian Chautauqua in Niagara. 14 Wesley Avenue has historical value as being the residence of the Peake family. The Lansdowne Villa was constructed by Lewis Peake in 1888 and was among the first houses to be built for the Canadian Chautauqua. Lewis Peake was the managing director of the Chautauqua and the secretary of the Niagara Assembly.

14 Wesley Avenue has the potential to yield information that contributes to the understanding of the Chautauqua movement. It also has the potential to yield information about the design principles that went into designing the Chautauqua neighborhood and the lifestyle and leisure activities of the people during that time period.

Lansdowne Villa is important in maintaining the character of the area. The playful Queen Anne Revival style of the subject property reflects the impact of the Chautauqua movement on the design of the cottages in the region. This is also reflected through the other dramatic residence styles found on Wesley Avenue. The subject property acts as a character supporting resource for the diminishing structures reflective of the Chautauqua. 14 Wesley Avenue is physically linked to its surroundings. The Lansdowne Villa is located on Lot 162 in the Chautauqua neighborhood. It maintains the original demarcation of the Lot and is a part of the radial design of the neighborhood.
