8. BUSINESS

8.1 Pump Status

Staff provided pump status update to the Committee:

- Pumps are shut down due to the current rainfall.
- Assumption that pumps may stay down for 7-10 days.
- Eastchester - there was some difficulty in restarting it following the June 18th rain, contractor used a camera to look for any leaks. Everything is good for the remainder of the season, however, impeller should be replaced before next season.

8.2 Permit to Take Water - Update

Staff provided an update to the Committee:

- Submitted the GEI proposal to MECP, they responded that they required more fieldwork, monitoring wells installed.
- The revised proposal will cost an additional \$10,000 which will cost \$42,000 total.
- The cost sharing will be discussed on the next agenda. Staff will ask Darren MacKenzie to attend.
