TRISHA ROMANCE CHILDREN'S ART FUND

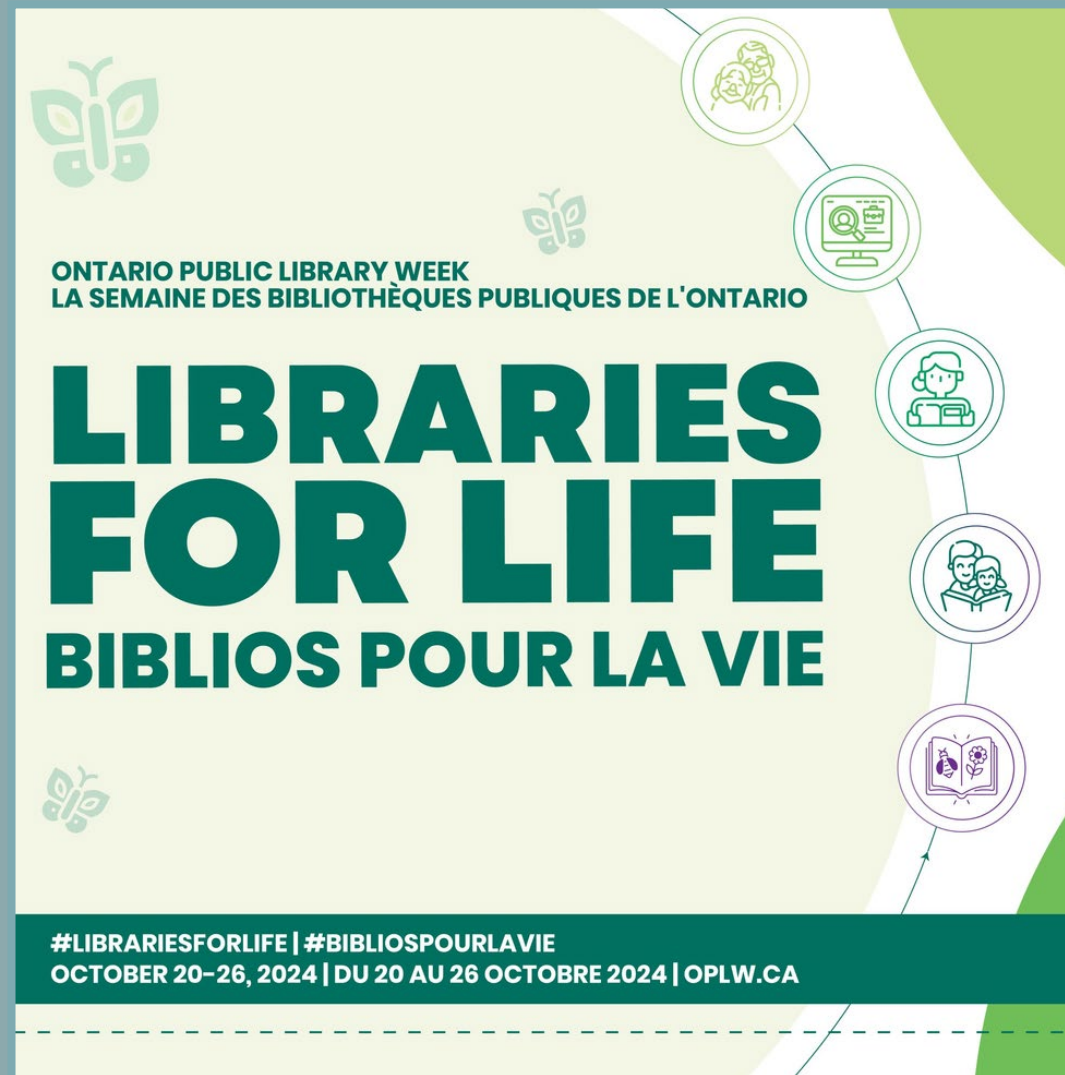

1. Community feedback shows our programs and services are well - aligned with current interests and demands
2. The 2024 increase in part - time salaries is delivering significant benefits, enabling us to enhance our services and expand programming to better meet community needs.
3. We are strategically optimizing resources to maximize efficiency and impact.

Curious about how the library can enrich your life?

Join us for our Libraries for Life Open House during Ontario Library Week on Wednesday, October 23rd at 6pm
