**Topic**

I have never spoken on this issue before

**For Agenda delegations please include the title of the item. In point form, provide an overview of what points you will be speaking to:**

STRs and pools- the destruction of a neighbourhood.

-This is home with a pool ruining a peaceful life for 5 homes connected to this noisy place.

-The turnover is about every 3 days, meaning a fresh new bunch of those who want to party. It would never happen with a full-time owner or hosted residence.

A quiet lawyer, doctor, etc. would not be permitted, so why is a commercial venture allowed? This would not be allowed to happen at a mini hotel operation.

-The owner manages his own STR and is unresponsive to my emails. Will only respond to a bylaw noise complaint.

Renters have no connection to the neighbourhood, don't care, and make a lot of noise

-This is a commercial, for-profit business in the middle of a quiet neighbourhood.

-This was in the 2021 STR committee recommendations, but staff removed it.
