1. Permit fees are related to \$/square foot, \$/linear foot or flat fee as shown.			
2. Square foot refers to the gross area of all floors above grade as measured to the exterior of the building/structure.			

USER FEE DESCRIPTION	Fee Basis	2025 Approved	2026 Proposed
Notes (continued):			
3. Where there is no floor or exterior walls for the project, the area is considered to be the greatest horizontal area of the structure.			
4. There are no deductions from gross floor area for openings such as stairs, ramps, shafts, etc.			
5. Unfinished basements, crawl spaces, attached residential garages up to a double garage, are not used in fee calculations of new dwellings units or additions greater than 1000 square feet.			
6. Major Occupancy shall be based on the Ontario Building Code.			
7. If the work cannot be described otherwise, the permit application fee shall be based on the value of construction.			
8. Where a permit has been issued and the permit holder requests changes or revisions to the drawings an additional shall be levied at \$135 per hour rounded to the nearest one-half hours and the Chief Building Official may require a fee deposit prior to commencing review of the proposed revisions.			
9. Lot Grading, Damage and Road Cleaning Deposit (new dwelling unit) is refundable when the construction is complete and the file can be closed including the final grading being confirmed by an Ontario Land Surveyor or Professional Engineer. For construction of townhouses or similar drawings that consist of more than two residential units, the deposits shall be calculated on a per unit basis.			
10. Damage and Road Cleaning Deposit is refundable when construction is complete and the file can be closed.
