CAO 11-2019

Subject: Update to Councils – Public Opinion Research related to Provincial Governance Review

Date: Thursday, August 1, 2019

To: Committee of the Whole

From: Ron Tripp, P.Eng., Acting Chief Administrative Officer

The following is intended to provide an update on the work of the CAO Working Group with respect to the Niagara Regional Council direction contained in COTW-C 02-2019.

Since the May 31 update noting the retention of Environics Research and the approach to the region-wide survey, Environics Research has completed the statistically relevant telephone survey of Niagara residents related to governance and the governance review of Niagara Region. The survey was conducted between May 30 and June 17 and collected insights across all 12 Niagara municipalities.

A detailed report of the survey findings are provided in the attached report submitted by Environics Research.

In moving forward with the next phase of Regional Council's direction, the CAO Working Group has retained StrategyCorp to apply the survey results in the development of an advocacy strategy. An initial assessment of the results indicates positive support for many elements the Region and local area municipalities have to offer as well as opportunities for improvement.

As StrategyCorp proceeds to deliver more in-depth analysis, advocacy support, and strategic direction on the Governance Review, the CAO Working Group will provide councils with updates on their progress.

The CAO Working Group was formed to carry out council's direction for public polling of Niagara residents, and to develop a government relations strategy and response as more details on the Provincial Governance Review are announced. The Working Group consists of all the Chief Administrative Officers from Niagara's 12 local area municipalities and Niagara Region. Financial and administrative support for the Working Group is provided by Niagara Region.

Respectfully submitted and signed by

Ron Tripp, P.Eng.
Acting Chief Administrative Officer

EXECUTIVE SUMMARY

Positive perceptions of the current structure of governance.

Overall, Niagara region residents have positive perceptions of current governance.

- The majority say they receive good value for tax dollars at both the lower-tier (76%) and Regional levels (67%).
- Most (50%) of those who have reached out to their municipal government say they have rarely or never encountered confusion over the division of responsibilities between their local municipal government and regional government. Only a quarter (27%) have sometimes or often encountered confusion.
- The majority (76%) feel well-served by the current two-tier structure of municipal government.

The majority (57%) feel that the current structure of elected officials is effective at representing their interests when making decisions for Niagara Region. At the same time, Niagara Region residents are evenly split between preferring separate councillors elected at the lower-tier and regional level (44%) versus one set of councillors elected for both (46%).

Of all 12 lower-tier municipalities, Wainfleet residents tend to have consistently less positive perceptions of the current governance structure.

EXECUTIVE SUMMARY

Mixed opinions of the outcome of larger government.

Niagara region residents hold mixed opinions regarding the impact on service delivery of amalgamating their local municipality into a larger government. Specifically, around half (48%) anticipate it would result in a decline in service, while four-in-ten (42%) say it would result in improvements.

When asked about the importance of different aspects of governance, efficient delivery of services and ease of access to service are most often identified as important (74% and 71% respectively).

EXECUTIVE SUMMARY

Opinions lean toward the current governance structure as best delivering on areas of responsibility.

Niagara residents were asked to select between three distinct governance models (current structure, partial amalgamation or total amalgamation) which they believe can best deliver on eight different areas of municipal government responsibility. A resident's preference for a model was determined by that resident selecting the model for a majority of the eight areas of responsibility tested:

- Only one-in-five residents prefer either amalgamation structure (20% and 19% respectively) in a majority of instances. Half (50%) and close to half (45%) never opt for partial or total amalgamation respectively for any area of responsibility.
- Two-in-five (38%) residents prefer the current structure in a majority of instances. A third (33%) of residents never opted for the current structure for any area of responsibility.

Preference for the current structure is more common among those saying they are well served by it (57%) and those believing they receive very good value for municipal (55%) and regional tax dollars (52%). Conversely, preference for total amalgamation is more common among those saying the current structure of elected officials is ineffective (27%) and those believing they receive poor value for municipal (29%) and regional tax dollars (26%).

Research Overview & Methodology

RESEARCH OVERVIEW AND METHODOLOGY

Overview. Niagara Region, in partnership with its 12 lower-tier municipalities, commissioned Environics Research to conduct a representative survey of residents across the Region. The research objectives included understanding attitudes towards municipal and regional governance, representation, and the potential of amalgamation.

Methodology. A telephone survey was fielded among a random sample of Niagara Region residents. This report is based on **832** interviews. The average interview length was 13 minutes.

The survey data are weighted by age and gender according to 2016 Census data. Quotas based on census subdivisions ensured geographical representation.

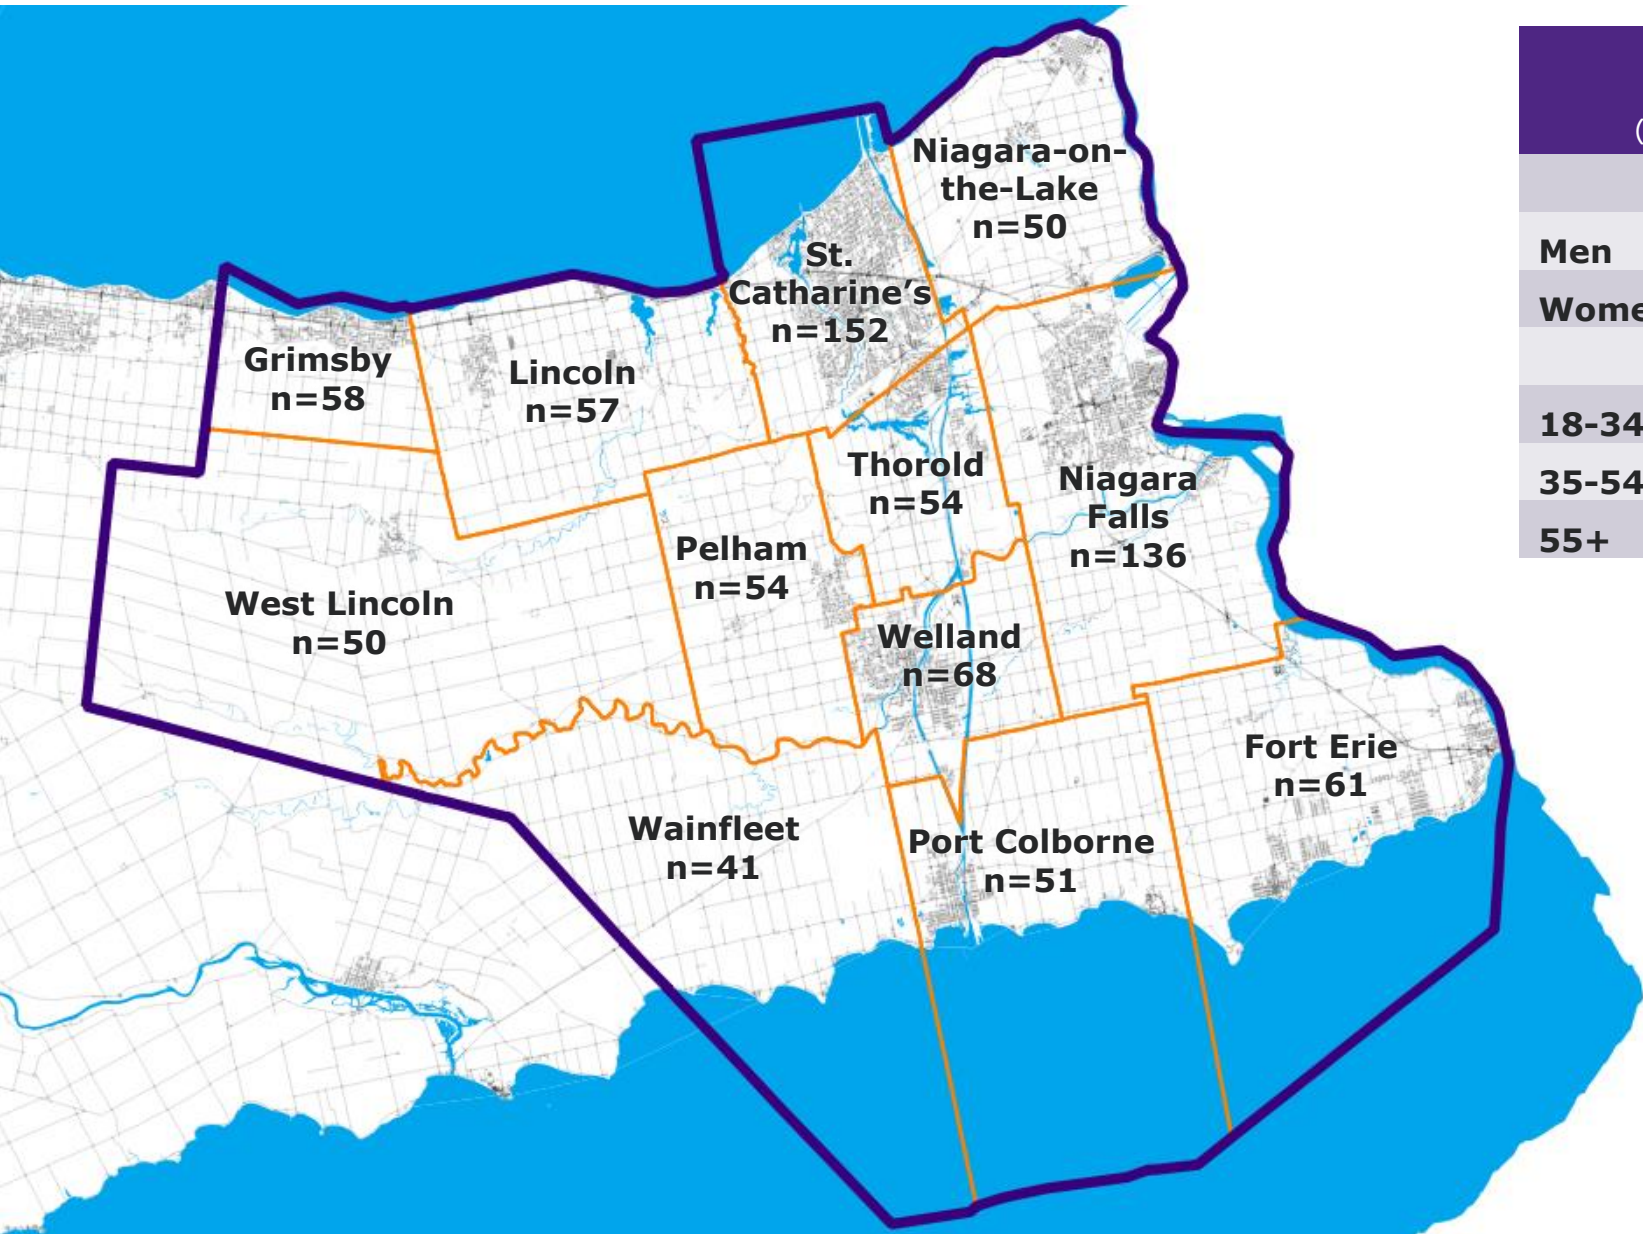

- A sample of 832 produces results that are statistically reliable to within **±3.4** percentage points, 19 times out of 20 (that is, at a 95% confidence interval). The margin of error is larger for smaller sub-segments of the total sample.

Field dates. May 30 to June 17, 2019.

Notes:

- In this report, results are expressed as percentages unless otherwise noted.
- Results may not add to 100% due to rounding or multiple responses.

DEFINITIONS OF POTENTIAL STRUCTURES

Residents were given the following descriptions of potential municipal governance structures before proceeding to subsequent questions.

As you may know, the provincial government is currently undertaking a review of the governance, decision-making and service delivery functions of Ontario's regional municipalities, including the Niagara Region and its twelve municipalities. Some possible outcomes from this review could include the following:

Current Structure. The province may decide to leave the current structure in place where the <municipality> remains a lower-tier municipality within Niagara Region. Each level of government would retain responsibility for delivery of services.

Partial amalgamation. A scenario that combines some Niagara area municipalities into larger municipal governments which are responsible for delivering services within the new municipality.

Total amalgamation. A scenario whereby the 12 municipalities within the Niagara Region are brought together into one central government which has the sole responsibility for administering services across a new amalgamated geography.

I'd like to ask you about the different aspects of municipal governance and administration discussed earlier and get your sense of which of these three municipal models you think would do the best job of delivering services in a way that meets your expectations.

To recall, the three options are:

- The **current structure**, or two-tier model, in place now in Niagara Region;
- The **partial amalgamation** of a few municipalities into one municipality
- A **total amalgamation** of all of the municipalities currently within Niagara Region.

PREFERRED GOVERNMENT STRUCTURE

Majorities of residents express a preference for the current structure when considering delivering a strong sense of community and providing easy access to Councillors.

Q16-Q23. Which of the three models would do the best job of...
Base: all respondents (n=832)

Governance Structure Options - Analysis

Support for amalgamation structures is limited and diffuse, while preference for current two-tier structure is articulated frequently.

Niagara residents were asked to select between three distinct governance models which they believe can best deliver on different areas of municipal government responsibility. They were permitted only one selection for each area of service, governance and representation.

When examining the frequency with which each structure was chosen across all eight (8) areas of responsibility, the following was observed:

- 33% of residents never selected “current structure” for any of the 8 areas of responsibility
- 45% of residents never selected “partial amalgamation” for any of the 8 areas of responsibility
- 50% of residents never selected “total amalgamation” for any of the 8 areas of responsibility

By comparison:

- Only one-in-five residents opted for either amalgamation structure for more than half of the 8 areas of responsibility (20% and 19% respectively)
- The “current structure” option was selected for more than half of all 8 areas of responsibility by two-in-five residents (38%).
- One-in-five residents showed mixed preference as they did not opt for any one option for more than half the 8 areas of responsibility (18%).

PREFER CURRENT STRUCTURE

The majority of Niagara-on-the-Lake, Lincoln and Grimsby residents show a preference for the delivery of responsibilities via the current structure.

38% Residents opted for the **Current Structure** for more than half of the 8 areas of responsibility.

MOST LIKELY TO SAY:

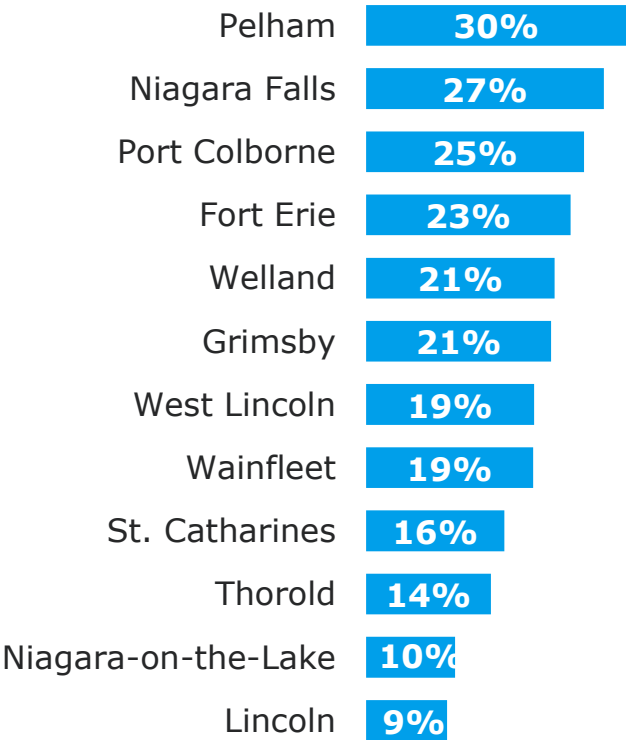

- **55 years and older** (46%)
- **Female** (42%)
- **Say very well served by two-tier structure** (57%)
- **Believe receive very good value for lower-tier municipal tax dollars** (55%)

- **Say Current structure is effective at representing interests** (44%)
- **Prefer separate councillors** (50%)
- **Compared to some other lower-tier municipalities, significantly more Niagara-on-the-Lake (57%), Lincoln (54%) and Grimsby (53%) residents opted for the current structure for more than half of the 8 areas of responsibility.**

Key Takeaways

- ▶ Residents generally express **confidence in the current state** of representation in Niagara Region; they feel well-served by current political representation, feel their interests are well represented by the two-tier system and derive value for the taxes they pay to both tiers of municipal government.
- ▶ There are small pockets of evidence of a **limited appetite for some changes** to the two-tier system. A significant proportion of Niagara Region residents anticipate efficiencies derived from one set of councilors to represent residents at both municipal levels. However, this sentiment is limited as it runs into opposition from a majority of residents who believe a larger government will result in a decline in service delivery and who strongly oppose any increase in property taxes to fund a new, larger municipality.
- ▶ Support for the current government structure translates into confidence that **existing representation can best deliver important services and community character**. Amalgamation scenarios receive diffused support for the delivery of some municipal responsibilities, however the overall tone of support for the current structure, and pronounced opposition to any changes that would negatively impact service delivery or taxation suggest that resistance to change would be vocalized should amalgamation be imposed throughout the region.

Subject: Provincial Review of Regional Government

Date: March 28, 2019

To: Regional Council

From: Ron Tripp, Acting Chief Administrative Officer

This is to provide a follow up to Correspondence COTW-C 02-2019 and to make Regional Council aware that ten of the local area municipalities (LAM) have since passed resolutions in support of the actions proposed in that document. Two of the LAMs have received the document for information. The respective resolutions of municipal Councils have been attached as Appendix A to the memorandum.

Staff has also canvassed Regional peer organizations in order to understand their disposition in this matter and to provide further background and context. The following is a summary of the responses received to date:

- Halton Region - adopted a resolution March 27, 2019 that the province not undertake any action (content to be confirmed)
- Region of Waterloo – notice of motion for March 27, 2019, desire to hold a public meeting to allow citizens to speak to the matter
- York Region – intention to present a report to Council April 18, 2019 with recommendation for Chair to send a letter to the province (content to be confirmed)
- Region of Peel - no plans to bring this matter to Regional Council, each of their local municipalities will be taking reports to their respective Councils

The Provincial Review was discussed at the Niagara CAO's meeting of March 8, 2019, the day following Regional Council's COTW meeting. In anticipation of support from each of the respective local municipal Councils, a sub-committee of CAOs was established at that meeting. The planning and execution of the actions articulated in COTW-C 02-2019 was established as the mandate for this group.

Subject to any further comments and/or direction from Regional Council, Staff will proceed in accordance with the direction of COTW-C 02-2019. Staff can confirm that the funding for this work can be accommodated in the 2019 Operating Budget.

Respectfully submitted and signed by

REPORT TO: Mayor J. Jordan
Members of Council

SUBJECT: Regional Council Request – Provincial Review of Regional Government

Recommendation

"RESOLVED That Report TM(A) 19-04 dated March 15, 2019 be received and that the recommendations of this report be approved for implementation as follows:

- The correspondence from the Regional Clerk dated March 8, 2019 (see attached Appendix A) regarding Provincial Review of Regional Government be received for information; and specifically,
- That Council endorse the request from Regional Council (see attached Appendix A),
 - "THAT the Region undertake the procurement of and facilitation for finances to hire a Government Relations/Communications firm to advise the 13 local area municipalities on government relations, public polling and communications in regard to the Provincial Government Review of Regional Government", and
- That the Acting Clerk for the Town of Grimsby be directed by Council to circulate a copy of this resolution to the Local Area Municipalities and the Regional Clerk."

Purpose

The purpose of this report is to provide Council with the correspondence issued by Regional Council regarding the Provincial Regional Government Review and affirm Council's support of the Regional resolution contained in COTW 1 – 2019 (see attached Appendix A).

Background

The Province has undertaken a Regional Government Review. The review will consider issues of governance, decision-making and service delivery in eight Regional Municipalities (Durham, Halton, Muskoka District, Niagara, Oxford County, Peel, Waterloo and York), Simcoe County and their respective lower tier municipalities. In total, there are 82 upper and lower tier that are party to this review. Additional information about the review may be obtained from the Ontario website: <https://www.ontario.ca/page/regional-government-review#section-2>. The website also outlines the appointment of Special Advisors and their Terms of Reference, as well as, a provincial contact email address to forward questions or seek additional information. It is understood that Grimsby has already been afforded time with the Special Advisors.

On February 4, 2019, the Niagara Regional Mayors including the Regional Chair issued a formal Statement:

"Niagara's Mayors are united in support for improving governance, transparency and accountability in local government. It has been nearly 50 years since Niagara Region was formed and our communities, economy and the populations we serve have changed significantly in that time. With change comes opportunity, and we agree with the provincial government that there is room for improvement in the way Niagara works."

We share the same goals in this review: to make it easier to access services, create more efficient local government, reduce duplication and be open for business. We also agree that there are a number of ways to achieve these goals and we expect that local voices and local solutions will truly be considered.

We are already working together as Team Niagara to be open for business and attract investment, jobs, and economic development. Many local agencies and municipal services are already working together to find efficiencies and reduce duplication. We are working together to build an integrated transit system that works for all of Niagara. And we know we can do more. As Mayors, we will work together to ensure that Niagara is given an opportunity to present made-in-Niagara solutions through this regional governance review."

On March 6, 2019, further correspondence, signed by all 12 Mayors and the Regional Chair, was issued to Regional Council (forming part of Appendix A to this report). The correspondence requested the Region undertake the procurement of and facilitation for finances to hire a Government Relations / Communications firm to advise the 13 municipalities on matters relevant to the ongoing Provincial Regional Government Review. At the March 7, 2019 Committee of the Whole, the following motion, as approved by Regional Council, was forwarded to the Clerk on or about March 8, 2019:

"That Correspondence Item COTW-C 02-2019, being a letter from the Local Area Municipal Mayors, dated March 6, 2019, respecting Provincial Review of Regional Government, BE RECEIVED and BE CIRCULATED to the Local Area Municipalities for consideration by their respective Councils at their next meeting for comment back to Niagara Region by March 28, 2019."

The March 6, 2019 correspondence further identified the Mayors & Regional Chair direction that the CAO's will serve to coordinate the process of procurement, selection and liaison with the bidders and successful company throughout the process, on behalf of the respective Heads of Council. At the March 8, 2019 meeting of CAO's, a subcommittee was created for this purpose.

Financial Implications

There are no financial implications to the Town, as the Region will address the financial obligations of this project.

Conclusion

The recommendation contained in this report are intended to establish Council's support of the 12 Mayors and Regional Chair, specifically for Region to undertake the procurement of and facilitation for finances to hire a Government Relations/Communications firm to advise the 13 local area municipalities on government relations, public polling and communications in regard to the Provincial Government Review of Regional Government.

Subject: Request from Regional Council
Provincial Review of Regional Government

1. RECOMMENDATION

It is respectfully recommended:

- 1.1 That the correspondence attached to this report, from the Regional Clerk dated March 8, 2019 regarding Provincial Review of Regional Government, be received;

2. PURPOSE / PROPOSAL

The purpose of this report is to provide Council with correspondence from Regional Council regarding the Provincial Review of Regional Government.

3. BACKGROUND

The Mayors of the Region and the Regional Chair prepared a Statement from Niagara Mayors dated February 4, 2019 (attached) which stated:

"Niagara's Mayors are united in support for improving governance, transparency and accountability in local government. It has been nearly 50 years since Niagara Region was formed and our communities, economy and the populations we serve have changed significantly in that time. With change comes opportunity, and we agree with the provincial government that there is room for improvement in the way Niagara works.

We share the same goals in this review: to make it easier to access services, create more efficient local government, reduce duplication and be open for business. We also agree that there are a number of ways to achieve these goals and we expect that local voices and local solutions will truly be considered.

We are working together to build an integrated transit system that works for all of Niagara. And we know we can do more. As Mayors, we will work together to ensure that Niagara is given an opportunity to present made-in-Niagara solutions through this regional governance review."

The Mayors held a conference call recently and a letter was signed by all of them (part of Regional correspondence), on Mayor Easton's letterhead who took the lead on preparing the letter which was publicly dealt with at Regional Council on March 7, 2019.

4. DISCUSSION / ANALYSIS

The following motion as approved by Regional Council was forwarded to the Clerk on March 8th, 2019 as follows:

"That Correspondence Item COTW-C 02-2019, being a letter from the Local Area Municipal Mayors, dated March 6, 2019, respecting Provincial Review of Regional Government, **BE RECEIVED** and **BE CIRCULATED** to the Local Area Municipalities for consideration by their respective Councils at their next meeting for comment back to Niagara Region by March 28, 2019."

As noted Regional Council passed a motion to receive this correspondence and that it be circulated to the Local Area Municipalities for consideration by their respective Councils by March 28, 2019.

Council's next meeting is April 11th, therefore necessitating a report be prepared for this evening's Council meeting, March 11th.

An area CAOs meeting was held on March 8th, whereby one of the items of discussion was the Regional Council motion and correspondence regarding the Provincial Government Review. All CAOs will be putting forward a report before March 28th and notify the Regional Clerk of their Council's decision.

At the area CAOs meeting a subcommittee of the CAOs was created to carry out the duties of hiring a Government Relations/Communications firm as outlined in the correspondence as follows:

"The CAOs will coordinate this effort. They will advise on appropriate companies to be considered. The CAOs will also act in the capacity of selecting said company and

preparing sample questions in advance to be used for the public polling.
In their capacity as signing officers, the CAOs in their guidance to the Heads of Council will liaise with the successful bidder throughout the procurement process to ensure a successful conclusion."

For Council's information, the CAO of Niagara-on-the-Lake will be sitting on the subcommittee of CAOs to coordinate these efforts as identified in the correspondence.

7. FINANCIAL IMPLICATIONS

At this time it does not appear to have any financial implications to the Town as the Region is being tasked with the financial implication of this project.

8. COMMUNICATIONS

Following the meeting, the Clerk will advise the Regional Clerk, by way of letter, of Council's decision.

Dear Ms. Norio,

**RE: Provincial Government Review of Regional Government
COTW 1-2019 Minute Item 6.2**

Please be advised that, at its meeting of March 26, 2019, the Council of the Corporation of the Township of Wainfleet enacted the following resolution regarding Administration Staff Report ASR-011/2019 (copy attached) relating to the Request from Niagara Regional Council re: Provincial Review of Regional Government:

THAT this report be received; and

THAT the correspondence dated March 8, 2019, attached as Appendix "A", from Niagara Region regarding Provincial Review of Regional Government be received; and

THAT the Council of the Township of Wainfleet endorse the request from Regional Council:

***"THAT** the Region undertake the procurement of and facilitation for finances to hire a Government Relations/Communications firm to advise the 13 local area municipalities on government relations, public polling and communications in regard to the Provincial Government Review of Regional Government"; and*

THAT the Council of the Township of Wainfleet direct the CAO to coordinate efforts for the Township in this endeavour; and

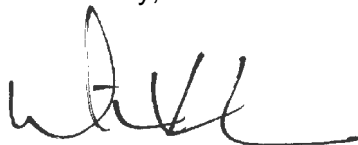

THAT a copy of this resolution be forwarded to the Local Area Municipalities and Niagara Region.

In supporting the resolution, Wainfleet Council also requested that the following comments and concerns be shared with Regional Council and with the Councils of the Local Area Municipalities:

- the need to be wary of any potential duplication of expertise or capacity that may arise between the proposed Government Relations/Communications firm and expertise/capacity that may otherwise already be available within the workforce(s) of the Region and/or Local Area Municipalities;
- the need for appropriate cost containment, as even though Niagara Region has been identified as the funding source of the exercise: there is really only a single property taxpayer within the Region; and
- the need to ensure that Niagara Region and Local Area Municipalities receive true value for the services to be rendered.

The Council of the Corporation of the Township of Wainfleet respectfully requests your consideration of the above.

THAT the Council of the Township of Wainfleet endorse the request from Regional Council:

***"THAT** the Region undertake the procurement of and facilitation for finances to hire a Government Relations/Communications firm to advise the 13 local area municipalities on government relations, public polling and communications in regard to the Provincial Government Review of Regional Government"; and*

THAT the Council of the Township of Wainfleet direct the CAO to coordinate efforts for the Township in this endeavour; and

THAT a copy of this resolution be forwarded to the Local Area Municipalities and Niagara Region.

EXECUTIVE SUMMARY:

The purpose of this report is to provide Council with details of a resolution from Niagara Region's Committee of the Whole regarding the ongoing Provincial Review of Regional Government.

BACKGROUND:

On February 4, 2019, the Mayors of the local area municipalities of Niagara Region and the Regional Chair issued a Statement (attached) that announced:

"Niagara's Mayors are united in support for improving governance, transparency and accountability in local government. It has been nearly 50 years since Niagara Region was formed and our communities, economy and the populations we serve have changed significantly in that time. With change comes opportunity, and we agree with the provincial government that there is room for improvement in the way Niagara works.

We share the same goals in this review: to make it easier to access services, create more efficient local government, reduce duplication and be open for business. We also agree that there are a number of ways to achieve these goals and we expect that local voices and local solutions will truly be considered.

We are already working together as Team Niagara to be open for business and attract investment, jobs, and economic development. Many local agencies and municipal services are already working together to find efficiencies and reduce duplication. We are working together to build an integrated transit system that works for all of Niagara. And we know we can do more. As Mayors, we will work together to ensure that Niagara is given an opportunity to present made-in-Niagara solutions through this regional governance review."

Recently, the Mayors held a conference call and a letter was issued, signed by all of them (forming part of Regional correspondence), on Mayor Easton's letterhead who took the lead on preparing the letter which was publicly dealt with at Regional Council on March 7, 2019.

OPTIONS/DISCUSSION:

The following motion as approved by Regional Council was forwarded to the Clerk on March 8th, 2019:

"That Correspondence Item COTW-C 02-2019, being a letter from the Local Area Municipal Mayors, dated March 6, 2019, respecting Provincial Review of Regional Government, **BE RECEIVED** and **BE CIRCULATED** to the Local Area Municipalities for consideration by their respective Councils at their next meeting for comment back to Niagara Region by March 28, 2019."

Attached to the correspondence from Niagara Region is a letter signed by all Mayors and Regional Chair. The letter outlines that there was a recent conference call among the heads of Council of the lower tier municipalities, including the Regional Chair, whereby it was agreed that they "request the Region, on behalf of the municipalities, to undertake the procurement of and facilitation for finances to hire a Government Relations/Communications firm to advise the 13 municipalities on government relations, public polling and communications in regard to the provincial government review of regional government."

As noted, Regional Council passed a motion to receive this correspondence and that it be circulated to the Local Area Municipalities for consideration by their respective Councils by March 28, 2019.

At a meeting of regional chief administrative officers held on March 8th, the Regional Council motion and correspondence regarding the Provincial Government Review was considered and all CAOs concluded to present a report to their respective Councils, before March 28th, and notify the Regional Clerk of each Council's decision. Further, a subcommittee of the CAOs was created to implement the provided direction and carry out the duties of hiring a Government Relations/Communications firm as outlined in the Mayor's correspondence as follows:

"The CAOs will coordinate this effort. They will advise on appropriate companies to be considered. The CAOs will also act in the capacity of selecting said company and preparing sample questions in advance to be used for the public polling. In their capacity as signing officers, the CAOs in their guidance to the Heads of Council will liaise with the successful bidder throughout the procurement process to ensure a successful conclusion."

FINANCIAL CONSIDERATIONS:

At this time, there do not appear to be any direct financial implications to the Township as Niagara Region is being tasked with the financial implementation of this project.

REPORT CAO-2019-02
MARCH 19, 2019

SUBJECT: PROVINCIAL REVIEW OF REGIONAL GOVERNMENT – UPDATE

AUTHOR: GARY LONG, CAO

RECOMMENDATIONS:

THAT THE COUNCIL OF THE CITY OF WELLAND receives for information the correspondence from the Regional Municipality of Niagara, COTW 1-2019, regarding the Provincial Review of Regional Government attached to Report CAO-2019-02 as Appendix I; and further

THAT Welland City Council supports the Regional Municipality of Niagara in undertaking the procurement of and facilitation for finances to hire a Government Relations/Communications firm to conduct public polling and provide related communications with Niagara residents regarding the provincial government review of regional government.

ORIGIN AND BACKGROUND:

The Minister of Municipal Affairs and Housing, the Honourable Steve Clark, announced on January 15, 2019, that the province will be reviewing regional governments in Ontario. This review is limited to the following nine upper tiers and lower tier municipalities: Waterloo Region, Niagara Region, Halton Region, Peel Region, York Region, Durham Region, Oxford County, Simcoe County, and Muskoka District. Minister Clark has indicated that the focus of the review is governance, decision-making, and service delivery.

Michael Fenn and Ken Seiling have been appointed as special advisors to conduct this review and provide advice and recommendations to the Minister this summer. Mr. Fenn is a former Ontario Deputy Minister, previous municipal CAO in several Ontario cities, and founding CEO of Metrolinx. Mr. Seiling is a former Chair of Waterloo Region who held that position from 1985 to 2018 and was a Councillor and Mayor in Woolwich.

The twelve mayors in Niagara and the Regional Chair had individual meetings with the special advisors on February 11, 2019, to provide their input and perspective.

COMMENTS AND ANALYSIS:

As a follow-up to the meetings with the special advisors, a consensus was achieved by the Heads of Council of the Local Area Municipalities, including the Regional Municipality of Niagara, to hire a government relations/communications firm to engage the local area Councils, members of the public, and business sector to seek their opinion on the Regional Government Review. The Area CAOs will coordinate this initiative and oversee the procurement process to select the successful bidder. In addition, the Area CAOs will craft sample questions to be used for public engagement.

City of Welland Council and Welland Regional Councillors will be provided regular updates by the Head of Council throughout this process.

FINANCIAL CONSIDERATIONS:

Costs associated with this initiative will be borne by the Regional Municipality of Niagara.

OTHER DEPARTMENT IMPLICATIONS:

The City's Corporate Leadership Team continues to stay informed and engaged in this process and look forward to working with Council. City staff will also be kept informed.

SUMMARY AND CONCLUSION:

Staff recommend that Welland City Council supports that the Regional Municipality of Niagara undertake the procurement of and facilitation for finances to hire a Government Relations/Communications firm to advise Local Area Municipalities on public relations and undertake public engagement with respect to the Province's review of regional government in Niagara.

Dear Peter:

Niagara Region's Next Waste Collection Contract

The purpose of this letter is to inform you that the schedule for the next waste collection contract Request for Proposal (RFP), which was circulated to the local area municipalities via Niagara Region's report, [PW 20-2019](#) on the Based and Enhanced Services for the Next Collection Contract on April 9, 2019, has been updated. Niagara Region's current waste collection contract is to expire on March 7, 2021; however, Niagara Region and Emterra Environmental (Emterra), have agreed to fast track the RFP process for the next waste collection contract in order to allow for the next contract to start earlier.

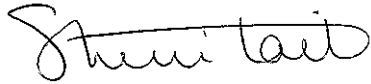

Both parties believe the earlier the next RFP is awarded and implemented, the sooner new equipment can be servicing Niagara Region and program changes that increase waste diversion and recycling rates, if approved by Niagara Region Council, implemented. Emterra has stated this would be better for the Region and the customers in the community they proudly serve.

It is anticipated that the next collection contract will be awarded following the RFP process in October/November 2019 and the commencement of the next contract approximately one year after award which will allow the successful collection contractor to purchase and secure new waste collection vehicles.

After the contract award in October/November 2019, Niagara Region will provide you with the pricing from the successful proponent for the enhanced services requested. You will have a maximum of 120 days to confirm which enhanced services, if any, you would like.

If you have any questions regarding the above information, please do not hesitate contact me at 905-980-6000 ext. 3458 or sherri.tait@niagararegion.ca.

Niagara Region organizational structure realignment approved by council

During a closed session meeting held Thursday Aug. 1, Niagara Regional Council formalized the realignment of the municipality's organizational structure.

Effective immediately, Enterprise Resource Management Services (ERMS) will be permanently restructured and renamed Corporate Services.

Todd Harrison, commissioner of ERMS and treasurer, will assume the title of Commissioner of Corporate Services with several divisions now formally reporting to him directly.

Following a restructuring of the organization and leadership late last year, there was a temporary realignment of reporting structure that saw several divisions moved into ERMS. At its meeting Thursday, Regional Council formalized this reporting relationship.

The change allows the municipality to streamline and be more responsive in its administrative operations.

You spoke and we listened – updated smoking and vaping bylaw now in effect

Following public consultation and approval from both regional and municipal councils, an updated Smoke and Vape-Free Outdoor Spaces Bylaw is now in effect for the Niagara region.

“Public support for smoke-free outdoor spaces is strong, especially in areas where children play,” said Diana Teng, manager, Chronic Disease and Injury Prevention, Niagara Region Public Health. “A recent survey with over 5,000 Niagara residents demonstrated that more than 76 per cent supported stronger restrictions around vaping and smoking tobacco or cannabis in outdoor settings.”

The updated bylaw now prohibits tobacco, cannabis and vaping products from being smoked or vaped in several public spaces in the Niagara region, including:

- Beaches **(new)**
- Recreation trails **(new)**
- Within nine metres of an entrance or exit of a publicly accessible place, building or workplace **(new)**
- Parks, playgrounds and sports fields
- Splash pads and outdoor pools
- Arenas and recreation centres
- Outdoor areas of municipal and regional buildings
- Bus shelters

With these changes to the bylaw, tobacco control officers will use a progressive enforcement model to build public awareness and educate both residents and visitors on the update to the bylaw.

“Protecting children from second-hand smoke and vapour remains a top priority for Niagara Region Public Health. Meanwhile, products continue to be developed and children and youth targeted to become future smokers and vapers. All the municipalities, after listening to the residents, have worked together to develop a stronger consistent bylaw across Niagara that will further help denormalize smoking and vaping, decrease visual cues for those trying to quit, and provide protection where Niagarans work and play.” said Dr. Andrea Feller, associate medical officer of health, Niagara Region Public Health.

For more information, to report a complaint, or for assistance with quitting smoking, please contact the Tobacco Hotline at 905-688-8248 or 1-888-505-6074 ext. 7393 or visit niagararegion.ca/health.
